JAFAR: At last! Absolute power is mine!

(As lights begin to flicker, JAFAR is seized by violent tremors.
A dark, sinister lamp appears.)

MUSIC STARTS

IAGO: I have a very
bad feeling
about this.

(ALADDIN picks up
the dark lamp and
aims it at JAFAR.)

JAFAR: ¿Qué? ¿Qué está pasando? What is happening?

(JAFAR throws GENIE's lamp and tries to grab IAGO as
he is pulled into the dark lamp. GENIE's lamp covers
everyone with magic "fluency" dust as it flies overhead.)
