

Jafar Destroyed / Prince Ali

from Disney's *Aladdin KIDS*

JAFAR: No, no, how can this be! I have infinite power!

ALADDIN: Right. Infinite power...
(opens the lid of the lamp) And a teeny tiny studio apartment, inside the lamp!

JAFAR: What a world, what a world –

IAGO: What a world... what a squawwwwwwwwwwwk!

JAFAR: WHY... ME...

(ALADDIN holds the open lamp, as the JUNIOR DJINN swirl about JAFAR and IAGO, stuffing them into the lamp.)

MUSIC STARTS

1 $\text{♩} = 86$

(ALADDIN snaps the lid shut. We hear tiny yelps from inside the lamp.)

ALADDIN: See ya, wouldn't wanna be ya.

(The SULTAN is once again the SULTAN. A mighty cheer goes up for ALADDIN.)

5

$B^b m$ $B m / B^b$ *molto rall.* $C / B^b \Delta$

sfz

9 $\text{♩} = 116$

CROWD:

All hail to Prince
